## 5 Incredible Reasons To Choose Us

### Easy Medical Insurance (EMI)

The first thing you notice when you buy an insurance cover is its premium and most people skew to a lower sum-insured or a cheaper annual premium. We just made your decision easy; the Reliance Health Gain Policy comes in easy monthly and quarterly premium installments. So, choose the sum-insured that is adequate and an EMI that's suitable.

### Restore. Refill. Recharge.

If a medical claim exhausts your policy sum-insured, we automatically restore it 100% back for your use. 20% of the sum-insured can be used for the related illness for which the claim has been made previously during the policy year and 100% of the sum-insured can be used for a new or unrelated illness.

### No Claim. Yes Bonus.

If you do not make a claim during a policy year, we give you a cumulative bonus of 33.33% on your base sum-insured at no extra cost. At the end of 4 consecutive claim free years, you can also avail the Call-Option to double your sum-insured using your cumulative bonus. Total Cumulative Bonus can never exceed 100% of sum-insured.

### Fast Policy. Faster Claim. Our Guarantee.

Once your documents are in, we guarantee you a fast policy issuance, but if we're delayed by 10 working days in issuing the policy, we will pay you a one-time additional sum-insured of up to ₹20,000, during claims, settling hospital bills is the most crucial part of hospitalisation, and if claim request and documentations are in place, yet we're unable to respond to a Cashless claim in 6 business hours or reimbursement claim in 21 days, we're liable to pay 1% of the claim amount max up to 6%.

### Free Insurance Renewal Because We Care

If a loved one covered under the policy gets detected with any of these critical illnesses for the first time:

- Cancer of specified severity
- Open chest Coronary Artery Bypass Graft
- Stroke resulting in permanent symptoms
- Multiple Sclerosis with persisting symptoms

Then their insurance cover will be renewed free of cost, once.
